

FORM A5

Certificate of public officer as to vesting of property

Associations Incorporation Act 2009 Schedule 2

1800 502 042 fairtrading.nsw.gov.au

Please read this information before completing this form.
This form can be completed in Adobe Reader and saved for your records.

When should this form be lodged?

This form should be completed by the public officer of the association where immediately before the association's incorporation property was vested in, or held by a person for or on behalf of:

- the unincorporated body that became the incorporated association, or
- any one of the 2 or more incorporated associations that have amalgamated to form the association. Once completed this form constitutes evidence concerning ownership of the property and may be provided to relevant authorities or entities as evidence of ownership.

Where the incorporated association wishes to record its details on the title of land with NSW Land Registry Services an additional certificate issued by Fair Trading (certificate as to identity of former body) is required. Please contact Fair Trading if that certificate is required.

Certification and schedule *(parts 2 and 3)*

An unincorporated body is not able to hold property in its own name. To overcome this it is usual for a person or persons to hold the property on behalf of the unincorporated body.

When completing the certification it is important to correctly identify whether the property was vested in an association that amalgamated with another to form the association or whether the property was held on trust by a person for the body.

Include the details of each person who held the property on behalf of the former body, its members or for its objects. The property should be described so as to clearly identify the property that is the subject of the certification. In relation to land, the street address and DP and folio number should be set out wherever possible.

If there is insufficient room provided in any section the required information should be set out on a separate page.

Declaration *(part 4)*

The declaration must be completed by the current public officer.
